EVENTS

Seminars: seminars, congresses, round tables online or face-to-face. The Internet user will find there the text, images and videos of the presentations and, when possible, the recording of the entire event.

Other Events: Any other event approved by the PROGRAM. The Internet user will find the information available

VIDEOS

Videos: collection of short videos to watch and ...watch again. This collection is regularly enriched

Stories: Stories and anecdotes

RELIGIONS

Contains a set of choices each of which corresponds

- to a major spirituality (ex Buddhism)
- to a set of spiritualities gathered according to various criteria such as geography (ex Oceania), common points (ex Shamanism) etc.

Each choice leads to an initial page where the main characteristics of this spirituality and its relationship with dance are summarized. The page is completed by a set of links on specific subjects

MORE

It contains topics not included in the other Main Menu choices. These choices are also presented in the second part of the HOME screen accompanied by subjects planned but not yet treated

FAQs

How to access information?

1. Type the keyword in the "Search" button, all the pages containing the keyword will appear
- 2 If you are looking for a dance, see the "ListofDances"

How to get information on a specific subject, make a suggestion or propose a contribution?

By email at mail@parissectioncid.org

We will answer you or put you in contact with our contributors

How to label your event?

Whether or not you are CID Members, if you consider that one of your events can belong to the "Dance and Spirituality" domain, you can send us an email to request the use of our Logo and the possibility of publishing information on our Website and Social Media

If, in addition, you are a CID Member, you can make the event appear in Panorama or in the Monthly Circular by contacting execsec@cid-world.or

What about translation from English?

The site is created in English so that it can be directly accessible by the majority of Internet users.

For the moment, automatic translation into French is possible for the text of pages. Automatic translation does not apply to attachments (which are mostly in English) for which the google translator is an approximate solution

Automatic translation into a language other than French can be considered if requested
